☐ ULTRASOUND Facility _____ Date _____

☐ Office to send all prior reports & films

☐ Patient will call to schedule ☐ Please call patient to schedule ☐ Office to call to schedule

PLEASE FAX TO: OVERLAKE BREAST MRI 425-778-4073

How do I prepare for the test?

On the day of your exam don't use lotion or deodorant on your breast/chest area and wear no perfume. Also, limit your fluid intake (coffee and tea primarily) due to diuretic effect. Otherwise, you can eat as you normally would, engage in regular activities, and take any prescription medication.

Plan to arrive about 30 minutes before your appointment time. Wear a comfortable, two-piece outfit with an elastic waist (with no metal and glitter, grommets, rivets or sequins) so that you only have to disrobe from the waist up. You will be asked to change into a gown since belts, zippers, snaps and thread in clothing may contain metal that disturbs MRI signals. We recommend that you bring socks as the room tends to be cool.

We will ask you several questions before you enter the MRI exam room. You will have to remove all metallic objects such as jewelry (rings are OK), glasses, hairpins and dentures. Your personal belongings will be secured in a locker. Please be sure to tell the technologist if you have metal implants, a cardiac pacemaker, permanent dental bridges, braces or other metal objects.

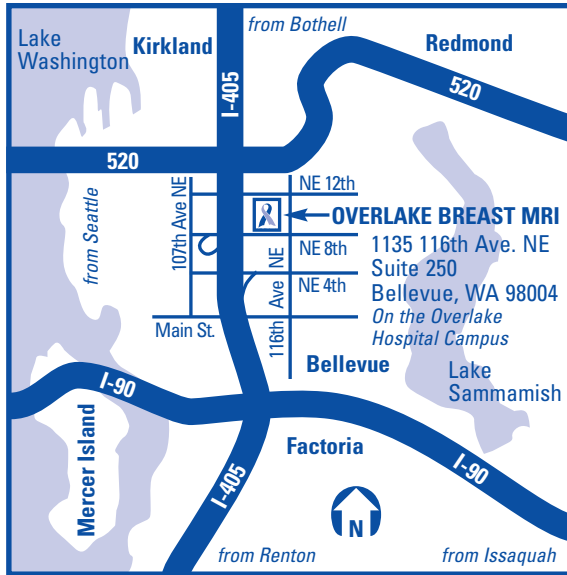

If you have any further questions, please call.
